Dear Mr Palmer Thank you very much for
the picture of S. H. which arrived in perfect
condition. It is indeed a great treasure
and I am most grateful. I am afraid
my notice of your edition will not come up
to the remainder of it that has reached you, but
I send it as an 'exhibition' of at least, good work,
or I put into the envelope another short notice I
sent to the 'Guardian', hoping to induce the latter
to make a Christmas present of the book for
their persons. I hope it may have the
sale it deserves.

When you are next in England
I hope you will come over as
I am truly
H. Beeching
